In Philadelphia, gun violence is an epidemic. Last year, in addition to the 249 Philadelphians killed in shootings, over 1,100 people were shot and survived, leaving many with lifelong disabilities and ongoing medical costs. Learn about the issues, the law, and the challenges in trying to address gun violence in Pennsylvania from our expert panel:

Ben Geffen, Staff Attorney, Public Interest Law Center

Mimi McKenzie, Legal Director, Public Interest Law Center

Other panelists to be announced...

CLE credit is available for Pennsylvania attorneys.
