We believe that every voter should have a meaningful voice in free and equal elections. On November 6, join us to celebrate the right to vote at a cocktail party hosted by Law Center board member Howard Langer. We will look back on our history of work making sure all citizens have access to the ballot box.

Enjoy catered food and drink and learn more about our work today, including our case challenging Pennsylvania's absentee ballot system, in a short presentation from our staff. This event caps off our series of events celebrating the 50th Anniversary of our founding in Philadelphia in 1969.
