#### **INDEPENDENT AUDITOR'S REPORT**

Board of Directors The Public Interest Law Center Philadelphia, Pennsylvania

DENNIS NATALI, CPA

JOSEPH P. LEONARD, CPA

We have audited the accompanying financial statements of The Public Interest Law Center (a nonprofit organization), which comprise the statement of financial position as of December 31, 2020 and the related statements of activities and cash flows for the year then ended and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Public Interest Law Center as of December 31, 2020 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Emphasis of Matter**

As discussed in Note 9 to the financial statements, the Organization has corrected the classification of funds to properly reflect the existence of restriction by the donor. The opening net asset balances as of January 1, 2019 have been restated to reflect this classification.

### Report On Summarized Comparative Information

We have previously audited The Public Interest Law Center's 2019 financial statements, and, our report dated May 29, 2020 expressed an unmodified opinion on those audited financial statements. NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

#### **NOTE 1 - ORGANIZATIONAL ACTIVITY**

The Public Interest Law Center (formerly Public Interest Law Center of Philadelphia) was incorporated January 31, 1974 under the Non-Profit Corporation Law of the Commonwealth of Pennsylvania. Its purpose is to provide legal services in the public interest through legal representation and litigation, counseling, aid and assistance to individuals, groups, and organizations requiring or requesting such services. The major sources of the Organization's revenue come from support from the legal community, general public, its Board, and foundations in the form of contributions, grants and contracts.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Date of Management's Review

Subsequent events were evaluated through July 16, 2021, which is the date the financial statements were available to be issued.

#### **Basis of Accounting**

The Organization prepares its financial statements in accordance with accounting principles generally accepted in United States of America, which involves the application of accrual accounting. Consequently, revenues and gains are recognized when earned and expenses and losses are recognized when incurred.

#### **Basis of Presentation**

The financial statements are presented in accordance with FASB ASC 958 Presentation of Financial Statements of Not-for-Profit Entities. Under FASB ASC 958, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. Net assets with donor restrictions are detailed in Note 8.

#### Adoption of New Accounting Standards

On January 1, 2019, the Organization adopted ASU 2014-09 Revenue from Contracts with Customers and all subsequent amendments to the ASU (collectively, "ASC 606"), which (i) creates a single framework for recognizing revenue from contracts with customers that fall within its scope and (ii) revises when it is appropriate to recognize a gain (loss) from the transfer of nonfinancial assets. The Organization's revenue that fall within the scope of ASC 606 are presented as such and are recognized as revenue as the Organization satisfies its obligation to the customer. Revenue within the scope of ASC 606 primarily includes its fee awards and contracts for program services. Funds received in advance, with the obligation to the customer yet to be delivered are recorded as deposit liabilities on the balance sheet. The net effect of the change on revenue and net assets was immaterial.

#### **Management Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures. Actual results could differ from those estimates.

Significant estimates are made in calculating the value of donated services.

#### Cash and Cash Equivalents

Cash and cash equivalents includes cash and highly liquid instruments purchased with an original maturity of three months or less.

# NOTES TO FINANCIAL STATEMENTS December 31, 2020 and 2019

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

#### Accounts Receivable Reserves

The Organization reviews its receivables on a regular basis for collectability. The Organization considers all receivables fully collectible, accordingly, no allowance for doubtful accounts is required. When a question of the collectability of a particular receivable arises it is written off or reserved for at that time. Recoveries of items previously charged off are recognized as income when received.

#### **Property and Equipment**

Property and equipment are recorded at cost or, if donated, at the approximate fair value at the date of donation. Depreciation of furniture and equipment is provided over the estimated useful lives of the related assets, 3 to 10 years, using the straight-line method. Major renewals and improvements are recorded to the assets accounts while maintenance and repairs which do not improve or extend the life of the respected assets are expensed.

#### Revenue

Awards for fees and out-of-pocket costs are awarded by court order or settlement and are recorded when awarded or when a settlement agreement is finalized by its terms. Other revenue is recognized when it is earned under the terms of the contract.

#### **Contributions**

Contributions received are recorded as "without donor restrictions" or "with donor restrictions", depending on the existence and/or nature of any donor restrictions.

All donor-restricted support is reported as an increase in with donor restricted net assets. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions. Only a donor can impose a restriction; the Board may designate contributions for a purpose, but the contribution is classified as unrestricted in that case. If a contribution is made with a donor-imposed condition, it is not recorded until the condition has been met.

A further distinction is to be made whether a gift is a contribution (a voluntary non-reciprocal transfer of funds or cancellation of liability from one organization to another); an exchange transaction (each party receives and sacrifices commensurate value); or an agency transaction (the recipient organization acts as an agent, trustee, or intermediary on behalf of another organization).

A promise to give is a written agreement to contribute if there is sufficient evidence in the form of verifiable documentation that a promise was made and received and that it is legally enforceable. When a promise to give is recorded, it requires the same classifications and distinctions as a contribution, as above.

Contributions with donor-imposed restrictions or conditions are to be recorded as restricted support even if the restriction or condition is met in the same reporting period.

Donated marketable securities and long-lived assets are recorded as contributions at their fair values at the date of donation.

# NOTES TO FINANCIAL STATEMENTS December 31, 2020 and 2019

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

#### **Contributed Services**

As prescribed by FASB ASC 958, The Public Interest Law Center has recognized contributions of \$2,654,002 in professional services from 27 individuals and firms in 2020, and \$1,035,595 in professional services from 13 individuals and firms in 2019, which were donated to the organization in connection with its operations. This amount is included both in revenue under legal community and other support, and in expense as in-kind legal services.

The value of the services is determined using industry knowledge of rates quoted, applied to the hours reported by the professionals. The rate used in the calculation is based on the lower rates quoted. The value of the services is recognized only where there is no potential compensation to the firm or individual.

In addition, The Public Interest Law Center receives a significant amount of additional professional services in connection with certain cases where the individuals and firms may possibly be compensated if the cases result in a favorable outcome. The value of these services, not recognized in the financial statements, is estimated to be approximately \$827,178 in 2020 and \$97,320 in 2019.

A substantial number of unpaid volunteers also donate their time and effort to The Public Interest Law Center. The value of these services is not recognized in the financial statements as they do not meet the criteria for recognition under FASB ASC 958.

#### **Functional Allocation of Expenses**

The financial statements report certain categories of expenses that are attributable to one or more program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied.

Salaries and benefits are allocated based on estimates of time and effort. Professional fees, newsletter and event expenses are allocated based on the cost, usage and related benefits of the specific services provided. Rent and occupancy, insurance, office expenses and depreciation are allocated based on the percentages derived from the estimated allocation of salaries. Certain other cost including cases and court cost, legal including in-kind, conferences and travel, and library and subscription costs, are related directly to the Organization's programs and are thus reflected as program costs.

#### **Income Taxes**

The Public Interest Law Center is a non-profit corporation exempt from taxes under Section 501(c)(3) of the Internal Revenue Code.

### Reclassifications

Certain prior year's amounts have been reclassified to conform with the December 31, 2020 presentation. The effects of the reclassification of donor restricted funds are reflected in Note 9.

As part of its liquidity plan, the Organization's audit/finance committee performs a monthly review of financial statements, and reviews the Organization's cash as well as its projected cash flows. If additional cash is projected to be needed, the Organization has available unrestricted liquid investments in a Vanguard Money Market fund. It also maintains a \$250,000 line of credit with a banking institution. The audit/finance committee also considers on a periodic basis whether to invest a portion of the Organization's operational cash or liquid investments in higher yield investments.

NOTES TO FINANCIAL STATEMENTS

#### NOTE 4 - INVESTMENT AND FAIR VALUE MEASUREMENTS - CONTINUED

FASB ASC 820-10 (formerly No. 157, *Fair Value Measurements*), establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs are those other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and Level 3 inputs are those unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities, and have the lowest priority. The Organization uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value, with fair value of investments based on quoted net asset values of shares held at year-end. Level 2 inputs were used where available to the Organization, and Level 3 inputs are only used when Level 1 and 2 inputs are not available

#### Level 1 Fair Value Measurements

The fair value of mutual funds are based on quoted net asset values of the shares held at year-end.

#### Level 2 Fair Value Measurements

The fair value of Beneficial Interests in Funds Held by Community Foundations are valued at cost, which approximates the fair value of the assets held at the foundation at year end.

#### **NOTE 7 - LINE OF CREDIT**

The Public Interest Law Center has a \$250,000 revolving line of credit with Huntington National Bank dated September 23, 2011 and available until July 10, 2022. Outstanding balances are due on demand and carry interest at a variable rate equal to the 30 day LIBOR rate or a Replacement Index + 2.75%. The line is secured by a money market account at Huntington National Bank. The line of credit agreement requires The Public Interest Law Center to provide bi-annual calculations of projected income to support outstanding draws. Draws on the line of credit are governed by a board-approved policy, under which the Executive Director has the discretion to make draws from the line of credit up to 80% of the line. Advance written approval is required from the Chair of the Audit/Finance committee and from the Chair of the Board, or their designees, before making any draws from the line of credit that would take the balance over 80% of the line.

The duration of outstanding balances on the line, and the expected repayments are monitored by the Audit/Finance committee.

There was no balance outstanding on the line as of December 31, 2020 and 2019.

#### **NOTE 8 - NOTES PAYABLE**

#### Payroll Protection Program Loan

On April 18, 2020, the Organization received a loan from Huntington National Bank in the amount of \$243,700, pursuant to the Payroll Protection Program (PPP) under the CARES Act, which was enacted March 27, 2020. The loan, which was in the form of a note dated April 18, 2020, matures on April 18, 2022, and bears an interest rate of 1%, payable monthly commencing on November 18, 2020. The note may be prepaid at any time prior to maturity with no prepayment penalty. Funds from the loan may only be used for payroll costs, costs used to continue group health care benefits, rent, and utilities. Under the terms of the PPP, certain amounts of the loan may be forgiven if they are used for qualifying expenses as described in the CARES Act. The loan has subsequently been forgiven in 2021.

#### **NOTE 9 - NET ASSETS**

#### Restatement

For 2020, the organization conducted a search of its records, for the purpose of determining that its various funds are properly classified with respect to the existence of any donor imposed restrictions. It was found that certain documents, primarily pledge agreements, were worded in such a manner as to imply restriction of the funds received from those donors. The changes were only among net asset classifications from Without Donor Restrictions to With Donor Restrictions. There was no change to the total net assets.

#### **NOTE 10 - ENDOWMENTS**

#### **Permanent Endowments**

The Law Center has a long standing endowment fund, the Robert Wolf Fund, the income from which can be used for operating support. These funds are held in the Vanguard investments.

In 2016, the Law Center established an Endowment Fund with the Philadelphia Foundation. The funds were irrevocably transferred to the community foundation, where they are held in diversified investment portfolios. Distributions from the funds are to support the Law Center's work on behalf of people with disabilities.

The Endowment Funds held at Philadelphia Foundation are recorded as assets in these financial statements. This is in accordance with FASB ASC 958-605 (formerly FAS 136, Transfers of Assets to a Not-for-Profit Organization or Charitable Trust that Raises or Holds Contributions for Others), as the Organization has the right to receive the distributions from the income from the Endowment Funds. Also, in accordance with FASB ASC 985-605, these amounts contributed by the Organization to the community foundation funds are classified as permanently restricted net assets in the financial statements. Amounts contributed directly by other donors to the Endowment Fund, if any, are not reflected in the financial statements.

During the year ended December 31, 2019, the Law Center initiated a capital campaign whereby donors were given the opportunity to contribute to various programs of the organization, as well as to contribute to a permanent endowment to provide future operating and programattic support for the organization. There funds are held in the Vanguard investments.

The Organization is permitted by Pennsylvania law to spend between 2% and 7% of the average balance over the past 3 years of the permanent endowment funds.

The Law Center's permanent endowments are summarized as follows:
