DISSENTING STATEMENT

JUSTICE WECHT

I respectfully dissent from today’s Order vacating the Commonwealth Court’s decision below, which held that strict enforcement of the Election Code’s requirement that electors write the date on the envelope of their absentee or mail-in ballot violates the Free and Equal Elections clause of the Pennsylvania Constitution.¹ A prompt and definitive ruling on the constitutional question presented in this appeal is of paramount public

importance inasmuch as it will affect the counting of ballots in the upcoming general election. Therefore, I would exercise this Court's King Bench authority over the instant dispute and order that the matter be submitted on the briefs.²

I respectfully dissent.

Chief Justice Todd and Justice Donohue join this dissenting statement.
